From the Los Angeles area take Interstate 5 north to Hwy 14, the Antelope Valley Freeway. Proceed north on the 14 Freeway to Placerita Canyon Road. Exit, turn right, proceed 3/4 of a mile and the gate to the Golden Oak Ranch will be on your left.

The Golden Oak Ranch is a full-service production facility and is also home to an abundance of wildlife which have adapted to the production crews that work on the Ranch. In order to preserve this unique environment, please do not exceed 15 MPH when driving at the Ranch.
